Dear Johann, 1/31/83

Kin ally I heard from Groden.

Hé is not now in a position to provide film copies but he can and will provide a videotape, at the cost of the tape.

He told me the cost but I've forgotten it overnight. I think he said about $12.00.

But he said he had to know what format, and that I didn't know?

Please let me know, send me your check made out to me and I'll send him my check.

Best wishes,
